ADVANCE INSTRUCTIONS TO SUPERVISORS

INSTRUCTIONS FOR PREPARING APPARATUS

These instructions give details of the apparatus/equipment required by each candidate for each practical test in this paper. A summary of the questions that will be presented to the candidates is included where appropriate, to allow the Agriculture teacher to prepare the apparatus/equipment appropriately. **No access to the question paper is permitted in advance of the examination session.** If a candidate breaks any of the apparatus/equipment or loses any of the material supplied, the matter should be rectified and a note made in the **Report Form**.

Supervisors are advised to remind candidates that all substances in the examination should be treated with caution. Safety gloves and/or goggles should be used where necessary.

A hazards appraisal of the examination has been carried out.

The following codes are used where relevant:

- C** = corrosive,
F = highly flammable,
H = harmful or irritating substance,
T = toxic substance.

24 hour Advance Instructions will be provided.

These Advance Instructions consist of 2 printed pages.
