Section B (20 Marks)

Read the following case study and answer all the questions.

- 7 On 1 May 2025, the Ministry of Primary and Secondary Education (MoPSE) in Zimbabwe, launched an inaugural Indigenous games Festival at Paruzevha resort in Mashonaland East province. The event marked a decorated Africa day celebration. Learners from both the primary school level and the secondary school level converged at the heritage-decorated venue. School buses and trucks travelled from as far as Masvingo province to showcase their respective talents in indigenous games. Accredited media houses covered the event. Local leadership including chiefs, councillors and other government officials graced the event. Among the games that were showcased are tsoro, nhodo, mbakumba, mafurawu, rock climbing and many others. Learners also had an opportunity to participate in adventure games like horse-riding, canoeing and zip-lining Stakeholders like the National Association for School Heads (NASH), Lobels bread. AWANA, Eversharp and many others were also present.

- (a) Define a *sport event*. [2]
- (b) Critically analyse the effects of media in hosting sport events. [4]
- (c) Discuss benefits of hosting a sport event. [4]
- (d) Briefly explain the processes involved in sport event hosting. [10]
